PASSING THE TOURCH

As many of you may know, long time President/CEO, Nancy Feeley retired from the Dublin Chamber of Commerce at the end of June 2014. She had been with the Chamber close to 40 years. She has been a vital part of the organization as well as to the City of Dublin. Her presence will be greatly missed, but we are happy for her as she goes forward and enjoys being a "full-time Grandma", becoming re-acquainted with her family and friends, and travelling. Thank you for your many years of service and we wish you all the best in life.

Jim Telfer
President/CEO

Jim Telfer takes over as the new President/CEO of the Dublin Chamber of Commerce. Jim has over 30 years in non-profit management. He retired as the CEO of Silicon Valley Leadership in 2011. He has held Executive Directors positions with Chambers of Commerces in California and Oregon. He was a lobbyist for the United States Humane Society and built a SPCA Shelter in Placer County. He was the Executive Director of the Hands on Science Center Explorit in Davis California. "Some people can retire but I found out that I am not one of them." I want to

make a difference. Being the President/CEO of Dublin Chamber gives me that opportunity. Jim and his wife Agnes have two grown daughters, Karen and Janine and two grandchildren, Anya 5 and AJ 10.

Welcome to the Dublin Chamber of Commerce. We wish you much success.
