

Meet Gena Stanley Ambassador of the 3rd Quarter

Gena Stanley
AVP, Business Development Manager
UNCLE Credit Union
925-557-5025 mobile
gstanley@unclecu.org

UNCLE Credit Union marks a major milestone this year, celebrating 60 years as a trusted financial services provider that exists to serve its members. The financial institution we now know as UNCLE Credit Union has its roots in the University of California Radiation Laboratory at Livermore. In 1957, four physicists employed by the Lab teamed up and formed Radiation Lab Livermore Credit Union – offering financial services to the entire Lab community. The Lab changed its name to Lawrence Livermore National Laboratory in 1970. In 1988, we changed our name to UNCLE, which stands for UNIVERSITY California Livermore Employees. As a member-owned financial cooperative, UNCLE presented an attractive alternative to banks, which were owned and controlled by stockholders.

I joined UNCLE in September of 2013 ~ as AVP, Business Development Manager and in 2014 I joined the Dublin Chamber's Ambassador team. I love working with the community and with my fellow Ambassadors. I feel blessed to work for such a great company and with the great community of Dublin.

If you would like to become a member of UNCLE Credit Union, please visit our website at: www.unclecu.org

How Are We Doing? Take Our Survey?

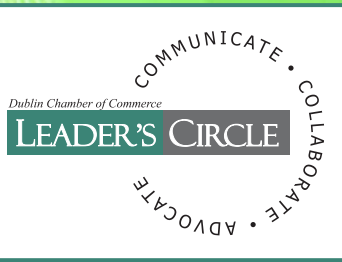

Here at the Dublin Chamber, we are always trying to improve our game. To help us serve our members better, we will be conducting a survey to understand how you view our services and how satisfied you are with your overall chamber experience. As a member you will be e-mailed requests to participate. Please take a moment and tell us how we're doing. The survey takes only 4-5 minutes to complete. All responses are completely anonymous. The more feedback we get, the better equipped we will be to improve our existing services and develop new ones to meet emerging needs. So please take a moment to complete the survey. We value your feedback. And we look forward to reporting what we learn from the survey results in our next Newsletter.

Thank you!

New Law Requires Employers to Electronically File and Pay Payroll Taxes (Assembly Bill 1245)

Effective January 1, 2017, employers with 10 or more employees are required to electronically submit their employment tax returns, wage reports, and payroll tax deposits to the Employment Development Department (EDD). All remaining employers will be subject to this requirement beginning January 1, 2018. For more information on the e-file and e-pay mandate,

visit www.edd.ca.gov/eFileMandate.

D.S.R.S.D. Sewer Construction Underway on Village Parkway

Sewer rehabilitation started June 19 on Village Parkway between Tamarack Drive and Dublin Boulevard. Businesses are open and accessible, and work that affects their driveways will be done at night. The route for the sewer bypass line has changed. Instead of running down Village Parkway, the temporary pipe is being installed on the access roads along Zone 7's flood control channels, away from traffic. At street crossings and for short stretches on Amador Valley and Dublin Boulevards, the bypass pipe will be buried in a shallow trench covered by steel plates. For a map and more information, visit Dublin San Ramon Services District's website: www.dsrsd.com/trunksewer

NEW MEMBERS

We extend a warm welcome to the following new members and look forward to seeing them at future Chamber events:

GROUND BREAKING CEREMONIES

We celebrated a Ground Breaking Ceremony for Aloft Hotels / Dublin - Opening April 2018

On April 18, 2017, the Dublin Chamber of Commerce Board of Directors, Councilman Biddle, Councilwoman Hernandez, Mayor Haubert joined CEO Rupesh Patel of Zenique Hotels for a groundbreaking ceremony for Dublin's newest hotel at Grafton Station. The 127-room, four-story hotel is being developed by Zenique Hotels and will be operated by Aloft, a chain of boutique, higher-end hotels. Aloft hotels cater to Millennial travelers, and the 63,000-square-foot Dublin hotel will feature bright colors, a focus on technology and a lounge-like lobby with a bar and live music. The hotel also has an outdoors area that will feature a pool, bocci ball court and a jacuzzi, and will be one of the few hotels in the Bay Area to feature Botler, a delivery robot that will deliver amenities to guest's rooms.
